

DSLARKIT AC 100-240V to DC 48V 2A 96W Power Adapter

EU Compliance User Manual

Product ID: 32679323418 | **Brand:** DSLARKIT | **Category:** Electronics Accessories

1. Basic Info

- Input: AC 100-240V 50/60Hz | Output: DC 48V 2A (96W)
- Interface: 5.5mm × 2.5/2.1mm DC Jack (Center Positive)
- Material: Flame-retardant ABS + Copper Core Wire
- Application: For 48V PoE Switches only

2. How to Use

1. Plug EU standard plug into 100-240V socket (grounded recommended).
2. Connect DC jack to PoE switch power port.
3. Power on: Green indicator lights up.
4. Power off: Unplug socket first, then DC jack.

3. Safety Warning

- Do not disassemble/modify (high voltage risk).
- Keep away from water, open fire, high temperature (>60°C).
- Not for children under 12; avoid wet hands operation.
- Stop use if overheating, smoking, or wire damage occurs.
- Do not reverse polarity or overload (max 48V 2A).

4. EU Compliance

- **Marks:** CE, RoHS, WEEE (as per product shell)
- **Compliance:** LVD 2014/35/EU, EMC 2014/30/EU, GPSR (EU) 2023/980
- **EU Responsible Person:** CET PRODUCT SERVICE LTD.
- **EU Representative Address:** Osterholzallee 1447, 1636 Ludwigsburg, Germany
- **Tel:** +497-1416432236
- **Email:** info.cetservice@gmail.com
- **DOC:** Full Declaration of Conformity available upon request.

5. Warranty & After-sales

- Warranty: 180 days (main product) / 30 days (accessories)
- Cover: Non-human quality issues (e.g., abnormal output, circuit failure)
- Exclude: Disassembly, drop, water ingress, overload
- Contact: [Your AliExpress Store Link] | [Your Email] | 24h Working Day Response

6. Disposal (WEEE Directive)

Do not dispose with household waste. Hand over to EU designated WEEE recycling points.

Packing List

1× Power Adapter (EU Plug) | 1× User Manual | 1× Packaging Box
