AliExpress EU Product Compliance Manual (Folding Lens Focus Calibration Card)

1. Product Basic Information

Product Name: Folding Card Lens Focus Tool Calibration Alignment AF Micro Adjustment Ruler Chart

Product Specification: Folding card design, size approx. 19×12.3cm, made of high-quality matte paper, waterproof and wear-resistant, easy to carry and store.

Note: All information in this manual must be consistent with the product detail page, outer packaging and actual products to avoid non-compliance due to information inconsistency[5].

2. Product Description & Usage Instructions

2.1 Product Function

This product is a folding lens focus calibration tool, used to detect the front/back focus deviation of the camera and lens combination. For cameras that support AF Micro Adjustment (AF fine-tuning), it can guide the setting of fine-tuning values to make automatic focusing more accurate, improving the clarity of shooting works.

2.2 Usage Steps

1. Preparation: Mount the camera on a tripod, fold the calibration card and stand it up, ensure the camera is perpendicular to the card, at the same height and level, and the lighting is sufficient (avoid strong light reflection).

2. Distance Setting: It is recommended that the distance between the camera and the calibration card is about 50 times the focal length of the lens (for example, about 2.5 meters for a 50mm lens).

3. Camera Settings: Set the lens to the maximum aperture (the shallowest depth of field, easy to judge focus deviation); select single AF (AF-S) for the focusing mode; select the central focus point for the focusing area; turn off lens anti-shake and in-camera sharpening.

4. Shooting & Judgment: Auto-focus on the 0-scale cross mark on the card, take a photo, and zoom in on the computer to check the sharpness of the scale.

2.3 Usage Restrictions

1. This product is only used for lens focus calibration of cameras that support AF Micro Adjustment (Canon/Sony called AF Micro Adjustment, Nikon called AF Fine Tune); entry-level cameras without AF fine-tuning function cannot be used.

2. Do not use the product in humid, high-temperature (above 60°C) or low-temperature (below -10°C) environments to avoid damage to the card surface.

3. Do not use sharp objects to scratch the card surface, so as not to affect the judgment of focus sharpness.

4. This product is a calibration tool, not a shooting accessory, and cannot be used for other purposes unrelated to focus calibration.

3. Safety Warnings & Precautions

Warning! Please read and follow all warnings and precautions carefully to avoid damage to the product or related equipment, or potential safety hazards.

1. This product contains small folding parts, which are not suitable for children under 36 months old to use alone to prevent accidental swallowing or scratching[5].

2. When using the product, please ensure that the camera tripod is stable to avoid the camera falling and causing personal injury or property loss.

3. Do not clean the card surface with corrosive liquids (such as alcohol, detergent), just wipe it gently with a dry soft cloth.

4. Keep the product away from open flames and flammable materials to avoid fire hazards.

5. If the product is damaged (such as tearing, deformation), stop using it immediately to avoid incorrect calibration results.

4. EU Compliance Information

4.1 Compliance Mark & Relevant Certifications

1. CE Mark: This product complies with the requirements of the EU General Product Safety Regulation (GPSR) and is marked with the CE mark (the mark is clearly visible, not less than 5mm, and not deformed)[3][6].

2. RoHS Compliance: This product complies with the EU RoHS 2.0 Directive (2011/65/EU) and subsequent amendments, and the content of hazardous substances (lead, mercury, cadmium, hexavalent chromium, polybrominated biphenyls, polybrominated diphenyl ethers, etc.) meets the EU limit requirements[7].

4.2 EU Authorized Representative (EC REP) Information

Company Name: CET PRODUCT SERVICE LTD.

Address: Osterholzallee 144, 71636 Ludwigsburg, Germany

Contact Information: Tel:+497-1416432236; Email address:info.cetservice@gmail.com

Note: The EU authorized representative information must be consistent with the signed agreement, and false or expired EU representative information is strictly prohibited[6].

4.3 Applicable EU Directives & Standards

1. EU General Product Safety Regulation (GPSR) (EU) 2023/988

2. Restriction of Hazardous Substances Directive (RoHS 2.0) 2011/65/EU

3. This product meets the relevant harmonized standards of the EU, and the technical documents (including DoC, material declaration, etc.) are kept for at least 10 years for inspection by EU market supervision departments[1].

5. After-Sales Guarantee

1. Warranty Period: In accordance with AliExpress platform requirements, the minimum warranty period is 30 days; it is recommended to provide a 90-day warranty period for this product to improve customer trust[5].

2. Warranty Scope: During the warranty period, if the product has quality problems (such as printing blur, folding damage, paper delamination) under normal use, we provide free replacement or refund services. The warranty does not cover damage caused by man-made factors (scratching, soaking, burning, improper storage) or natural wear and tear.

3. After-Sales Contact: 【Please fill in your AliExpress store customer service email or AliExpress store link; it is not recommended to use domestic mobile phone numbers】

4. Complaint Handling: For product quality or compliance-related complaints, we will respond within 48 working hours and provide a reasonable solution (replacement, refund, technical guidance) in accordance with EU regulations and AliExpress platform rules.

6. Other Instructions

1. Language Description: This manual is in English, which meets the AliExpress EU market language requirements. AliExpress has launched an AI translation function, which can automatically translate this manual into other EU official languages[5].

2. Disposal Instructions: This product is made of recyclable paper materials. After use, please dispose of it in accordance with the local environmental protection regulations of the EU, and do not discard it at will to avoid environmental pollution.

3. Document Update: This compliance manual will be updated in a timely manner in accordance with the changes of EU regulations and AliExpress platform rules. The latest version shall prevail.

4. Compliance Commitment: We solemnly commit that this product and its packaging, instructions fully comply with the relevant regulations of the EU and AliExpress platform. If there is any non-compliance, we will bear all corresponding responsibilities (including product removal, fines, etc.)[6].

Manufacturer: Shenzhen Dister Photography Equipment Co., Ltd.
